

# 2nd PERIOD Substitute Lesson Plans

Instructor: Miss Clement

Thursday October 29th, 2015

## Period: 2 Veterinary Science

Take attendance and send it up to the front office with a student or TA or Academic Mentor (make sure they take a hall pass on the wall which is located near the door). **No other student is allowed to leave the classroom for any reason unless they show you their Hall Pass and you punch their card. Students need to be sitting in their ASSIGNED seats (seating chart is included in sub folder).**

1. Students will be presenting their breed power points in class. During each groups presentation, students will be taking brief notes on pages 16-18 in their packets.

Sporting group- Leslie/Cecilia  
Non-sporting group- Bailey/Natalya  
Terrier Group- Morgan/Abby  
Small Animals- Britney  
Herding Group- AJ  
Wrokign Group- Cassidy/Morgan  
Birds- Alex/Josh  
Toy Group- Victoria/Rachel  
Hound Group- Alex G./Eliza  
Reptiles- Ghiwa/Tenaya  
Cats- Maddie V./Brontee  
Rabbits- Julia/Arriana  
Dairy Cattle- Baily/Natalya  
Poultry- Kaila/Harley  
Beef Cattle- Costin/Jordan  
Swine- Ashley  
Sheep- Jackie  
Horse- Maddie M./Sophia  
Goats- Cassidy/Megan

2. After presentations today, students to turn in their packets to you.

### **Before the end of each period, make sure:**

- \*Students pick up their trash
- \*Students straighten their desks
- \*Textbooks are put back properly (no student may take home a class text book)
- \*Lab table chairs are put on table tops at the end of the period

Thank you for instructing my class today! Please let me know if there are any problems.

Thank you,

## Monday November 2nd, 2015

### Period: 2 Veterinary Science

Take attendance and send it up to the front office with a student or TA or Academic Mentor (make sure they take a hall pass on the wall which is located near the door). **No other student is allowed to leave the classroom for any reason unless they show you their Hall Pass and you punch their card. Students need to be sitting in their ASSIGNED seats (seating chart is included in sub folder).**

### Reminders:

\*No school next Wednesday Nov. 11 in honor of Veteran's Day

\*Late/Absent work is due on November 13<sup>th</sup> by 2pm into my purple crate in S1.

1. Please pass out the 2<sup>nd</sup> period packets for the Animal Health unit. Students should immediately put their first and last name and period on the front cover. They should also note the due date of this packet on November 23<sup>rd</sup>.
2. Students should use their phones or the adjacent computer lab to take the Introduction to Animal Health Notes on pages 3-5 in their packets from my website. Give students 30 minutes to do this.
3. Play the DVD Temple Grandin. You will not finish in this class. Please record the time in which you stopped.

Time: \_\_\_\_\_

### **Before the end of each period, make sure:**

\*Students pick up their trash

\*Students straighten their desks

\*Textbooks are put back properly (no student may take home a class text book)

\*Lab table chairs are put on table tops at the end of the period
